DUAL HI

DUAL HI

THE TREATMENT THAT REGENERATES  
THE SKIN IN DEPTH

angel dental

implants • cosmetics • facial aesthetics

## EFFECTIVE ON

Forehead

Eyebrow lifting

Nose-lips fold

Cheeks

Double chin

Neck  
skin firming

Thanks to special handpieces, Dual Hi exploits the thermal and ultrasound mechanism, working in depth.

The treatment eliminates old fibres, stimulating the production of elastin, collagen, hyaluronic acid, allowing a general firming for a final lifting effect.
